🔠 EXACT SYMBOL LIST (USE THESE, NOTHING FANCY)

🅐 ARCHITECTURAL FLOOR PLAN (10 MARKS)

Walls

- **Symbol:** Double-line wall
- **Line type:** Continuous
- **Lineweight:** Thick (external), Medium (internal)
- **Layer:** `WALL`

Doors

- **Symbol:** Single-leaf swing arc
- **Line type:** Continuous
- **Label:** D1, D2 (optional but clean)
- **Layer:** `DOOR`

Windows

- **Symbol:** Double-line break in wall
- **Line type:** Continuous
- **Layer:** `WINDOW`

Staircase

- **Symbol:** Parallel lines + arrow "UP"
- **Risers:** Thin lines
- **Layer:** `STAIR`

Elevator / Lift Shaft

- **Symbol:** Solid rectangle (shaft)
- **Label:** LIFT
- **Layer:** `LIFT`

Rooms

- **Text:** OFFICE, CORRIDOR, WC
- **Layer:** `TEXT`

➊ ELECTRICAL WIRING PLAN (6 MARKS)

Distribution Board (DB)

- **Symbol:** Small rectangle labeled `DB`
- **Layer:** `ELEC_DB`

Light Point

- **Symbol:** Circle with “X” inside
- **Layer:** `ELEC_LIGHT`

Socket Outlet

- **Symbol:** Small circle with two short parallel lines
- **Layer:** `ELEC_SOCKET`

Switch

- **Symbol:** Small “S” near door
- **Layer:** `ELEC_SWITCH`

Wiring Route

- **Symbol:** Dashed line
- **Line type:** DASHED
- **Layer:** `ELEC_WIRE`

Legend (MANDATORY)

Include symbols for:

- Light
- Socket
- Switch
- DB

◉ WATER & PLUMBING PLAN (6 MARKS)

WC (Toilet)

- **Symbol:** Standard WC outline
- **Layer:** `PLUMB_FIXTURE`

Wash Basin

- **Symbol:** Oval / rectangle basin
- **Layer:** `PLUMB_FIXTURE`

Main Water Inlet

- **Symbol:** Thick line with arrow
- **Label:** MAIN INLET
- **Layer:** `PLUMB_MAIN`

Vertical Riser

- **Symbol:** Circle with "R"
- **Layer:** `PLUMB_RISER`

Horizontal Pipes

- **Symbol:** Thin continuous line
- **Layer:** `PLUMB_PIPE`

Water Tank / Pump

- **Symbol:** Simple rectangle labeled
- **Layer:** `PLUMB_TANK`

Legend (MANDATORY)

- WC
- Basin
- Pipe
- Riser

🅓 WI-FI & NETWORK PLAN (5 MARKS)

Network Switch

- **Symbol:** Small rectangle labeled `SW`
- **Layer:** `DATA_SWITCH`

Wi-Fi Access Point

- **Symbol:** Circle with curved signal lines
- **Label:** AP
- **Layer:** `DATA_AP`

Backbone Cable

- **Symbol:** Thick dashed line
- **Layer:** `DATA_BACKBONE`

Data Cabling

- **Symbol:** Thin dashed line
- **Layer:** `DATA_CABLE`

Legend (MANDATORY)

- AP
- Switch
- Backbone cable

🅔 PRESENTATION SYMBOLS (EASY MARKS)

- **North Arrow** → Architectural plan only
- **Scale Bar** → All drawings
- **Title Block** → Every sheet
- **Text height:** Consistent everywhere

⚠️ SYMBOL RULES (DO NOT BREAK THESE)

- Same symbol = same meaning everywhere

- Don’t invent symbols
- Don’t mix line types
- Legends must match exactly what’s used

🧠 EXAMINER REALITY CHECK

They are NOT checking engineering correctness.
They are checking:

- Recognizable symbols
- Clean routing
- Clear legends
- Proper layers

If they can understand the drawing in **10 seconds**, you’re winning.
